

INTERNATIONAL FRIENDLY TOUR

DEPART TUESDAY NOV 13TH – RETURN SUNDAY NOV 18TH

Experience the dream trip for any US Soccer fan! Watch the US Men's National Team featuring; Christian Pulisic, DeAndre Yedlin, & Bobby Wood take on Harry Kane, Jesse Lingard, Raheem Sterling & the rest of England's National Team at the "home" of football, Wembley Stadium in London.

In the process of rebuilding after failing to qualify for the 2018 World Cup, the US Men's National Team takes on a Three Lions side that went deep into World Cup this past summer. With a young generation of talent moving into key roles on the US team, opponents such as England and Italy should give the young US players invaluable experience and a chance to prove themselves before qualifying begins for the 2022 World Cup.
